* We would like to explain the composition of a team as follows:

One team consists of three players plus one coach. Only one player with minimal disability, Category A, is admitted per team.

The other players must fall in the categories B (medium disability) or C (serious disability). This means that a team can also consist of players only from category B or C. In order to make it very clear please note the possible compositions of the teams as follows: A,B,B / A,B,C / A,C,C / B,B,B / B,C,C / C,C,C

Please note that there is a registration fee in the amount of EUR 150.00 € per team. This fee will be charged in advance and is due before departure but upon arrival at the latest. Please consider this as token payment regarding the transfers and accommodation in Germany as well as a support of the prize money. **The amount must be paid to the following bank account: Bank im Bistum Essen; Beachvolleyball; IBAN: DE12 3606 0295 0030 4180 50 and Swift-BIC: GENODED1BBE**
