BEACH-VOLLEYBALL-CAMPS

We would like to have you with us!

In May 2014, we will carry out a Beach-it-Camp for disabled at the WOW Topkapi Palace Hotel 5 * in Antalya / Turkey.

The hotel offers excellent, handicap-accessible facilities and its convenient location right on the beach in Antalya is making it a perfect place for beachvolleyball. Just as the weather: May in Turkey is sunny and rainless. The Mediterranean Sea next to the beach courts is refreshing after a hotly contested game in the sun.

We have negotiated remarkable conditions with the hotel, so that the participation is affordable. In addition to the below mentioned costs the participants will only have to organize and afford their flights to and from Antalya airport. Everything else will be done by Beach-it.

Our services include the accommodation in Kremlin Palace Hotel 5*, all inclusive, and transfers to and from the airport. We provide all training equipment and ensure that we, together with the hotel staff, will care for an optimal organisation and catering, even at the beach courts.

It would be a great pleasure for us to spend a wonderful week together with you in Antalya and we will do our utmost to be at your service.

You find more information about the hotel at www.wowhotels.com.

Best regards
