## ParaVolley Europe Sub-Zonal Competitions Commissioner

I am very pleased to announce that **Hans Kronenberg** (NED) has accepted an appointment as Sub-Zonal Competitions Commissioner in the Sport Department of ParaVolley Europe. In this role, Hans will be responsible for coordinating Sub-Zonal Championships across the European Zone, both for National teams and hopefully also for club teams in an attempt to re-start some zonal club events.

All correspondence on Sub-Zonal Championships, whether for National teams or for clubs should be directed to Hans ([Hans@paravolley.eu](mailto:Hans@paravolley.eu)).

Hans has been refereeing Sitting Volleyball for over 40 years, many of those as an International Referee. He is also an active Referee Observer for World ParaVolley. He has organised and run large events over the years, notably the Double Dutch in Deventer. Hans brings a wealth of experience from all of the aforementioned activities to this role and I am sure he will help to get these important, ranking events up and running.

Yours in Sport,
